

ANNOUNCEMENT OF THE CONDUCTING TENDER
For the right to build small hydroelectric power stations in the Kyrgyz
Republic

In accordance with the Law of the Kyrgyz Republic "On Electric Power Industry", as well as Resolution of the Government of the Kyrgyz Republic of March 24, 2017 №175 "On Approval of the Regulation on the Tender for the Right to Build Small Hydro Power Stations in the Kyrgyz Republic", the State Committee of Industry, Energy and Subsoil Use of the Kyrgyz Republic announces a tender for the right to build small hydropower stations in the Kyrgyz Republic.

Those wishing to participate in the tender, have to submit an application in the form posted on the website of the State Committee of Industry, Energy and Subsoil Use of the Kyrgyz Republic and make a guarantee contribution and fee for participation in the tender.

The application and attached documents must be in duplicate and one copy on an electronic carrier (marked "To participate in the tender for building small HPPs") must be submitted to the State Committee of Industry, Energy and Subsoil Use of the Kyrgyz Republic at the address: Bishkek, Erkindik Avenue 2, Cabinet №. 124 (public reception) no later than 6 pm on 13 June 2017. The application by mail is not allowed. It is allowed to present documents on the power of attorney. The original of the power of attorney for participation in the tender remains in the State Committee.

Interested people can get more detailed information on the requirements for participation in the tender, the conditions and procedure for participating in tender for the right to build small hydropower stations, as well as other information is available on the website of the State Committee of Industry, Energy and Subsoil Use of the Kyrgyz Republic www.gkpen.kg.

For consultations on participation in the tender, please call: (+996 312) 90-21-54, 90-21-34, 90-12-60.
